

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

MANUEL RIOS-RAMIREZ,

Defendant.

4:15-CR-3104

MEMORANDUM AND ORDER

This matter is before the Court on the Magistrate Judge's findings and recommendation on plea of guilty (filing [43](#)) recommending that the Court accept the defendant's plea of guilty, as well as the Magistrate Judge's findings and recommendation (filing [35](#)) recommending that the Court deny the defendant's motion to suppress (filing [23](#)).

There are no objections to the findings and recommendation on plea of guilty. Pursuant to [28 U.S.C. § 636\(b\)\(1\)\(C\)](#) and [NECrimR 11.2\(d\)](#), the Court has conducted a de novo review of the record and adopts the findings and recommendation of the Magistrate Judge. In light of the Court's acceptance of the defendant's plea, the Court will deny his motion to suppress as moot, and terminate the Magistrate Judge's findings and recommendation on that motion.

IT IS ORDERED:

1. The Magistrate Judge's findings and recommendation on plea of guilty (filing [43](#)) are adopted.
2. The defendant is found guilty. The plea is accepted. The Court finds that the plea of guilty is knowing, intelligent, and voluntary, and that a factual basis exists for the plea.
3. The Court defers acceptance of any plea agreement until the time of sentencing, pursuant to [Fed. R. Crim. P. 11\(c\)\(3\)](#). Unless otherwise stated at the time of sentencing, any plea agreement will be deemed accepted upon the pronouncement of the judgment and sentence.
4. The defendant's motion to suppress (filing [23](#)) is denied as moot.
5. The Magistrate Judge's findings and recommendation (filing [35](#)) on the defendant's motion to suppress are terminated.

6. This case shall proceed to sentencing.

Dated this 11th day of March, 2016.

BY THE COURT:

A handwritten signature in black ink, reading "John M. Gerrard", is written over a horizontal line.
